FINAL FANTASY 零式 HD
TYPE-0

The year 842 would mark the beginning of the end.

In an act of unprovoked aggression,
the Militesi Empire invaded the Dominion of Rubrum.

Imperial dreadnoughts swarmed the skies,
assailing the unsuspecting countryside in the name of the White Tiger.
From amidst the flames of the besieged dominion,
the Vermilion Bird rose in defiance, her Crystal granting magic
and mighty Eidolons that her disciples might
cast out their technologically advanced aggressors.

Just when it seemed as though the day might be won,
however, all would soon be lost.
Thrust into the tumult of war,
the fate of the world and its four Crystals now rests
on the shoulders of fourteen brave, young warriors.
