

EARTH DEFENSE FORCE® INSECT ARMAGEDDON™

PC QUICK START GUIDE

EARTH NEEDS YOU!

The Ravagers have come to Earth. Strike Force Lightning and the EDF are all that stand in the way of world domination. Grab your squad mates and gear up... It's going to be one heck of a fight!

RULES OF ENGAGEMENT - Game Modes

CAMPAGN MODE

Shoot your way through 3 unique campaigns, each in a different area of New Detroit, or select any mission you have previously unlocked in Campaign Mode.

CAMPAGN REMIX MODE

Play "remixed" versions of Campaign Mode missions. Enemy encounters are drastically changed to give each mission a different feel. Unlocked once you have completed Campaign Mode.

All game modes can be played in either OFFLINE or ONLINE mode.

SURVIVAL MODE

Find out how long you and up to five other EDF Troopers can last against endless waves of Ravagers.

PAUSING THE DESTRUCTION - The Pause Menu

If you can't handle the onslaught, pause the game by pressing the "Esc" key. From the Pause Menu, you can invite friends to join your game, access the options menu, restart the mission, or quit to the Main Menu.

In the Options Menu, you can adjust your Control, Video, and Audio settings.

You can also invite friends to your game by pressing Shift + Tab to view your Friends list in the Steam Overlay and selecting "Invite to Game."

COMING BACK FOR MORE - Saving Your Game

At ease, soldier. The EDF will always remember your commitment. Earth Defense Force: Insect Armageddon saves your progress automatically whenever you complete a mission. Also, your game progress will automatically be saved to the Steam Cloud for synchronization on multiple PCs.
